Paragraph Plan

First - Write a topic sentence. Change the prompt into a statement.

Next, write a statement supporting your topic sentence. (Use your words).

Then, follow your statement with a line from the text that proves you are correct. (Put the exact words in quotes and provide the page number).

Next, write a statement supporting your topic sentence. (Use your words).

Then, follow your statement with a line from the text that proves you are correct. (Put the exact words in quotes and provide the page number).

Next, write a statement supporting your topic sentence. (Use your words).

Then, follow your statement with a line from the text that proves you are correct. (Put the exact words in quotes and provide the page number).

Finally, in a sentence, explain why your topic is important.
